Background

As part of WHITRAP Shanghai's six-year project on World Heritage Contribution to Sustainable Development Goals (2023-2028), Heritage Practitioners in Asia and the Pacific (HeritAP) initiated the 2024 Call for Good Practices focusing on **Environment and Resilience** in March. After the evaluation of all submissions received, 11 proposals were selected to be presented and discussed at the Online HeritAP Chat on **May 30, 2024**. The purpose of HeritAP Chat is to better understand projects on the ground and promote innovative practices on World Heritage Contribution to SDGs. The selected good practices will be announced at the HeritAP Annual Meeting in November.
